

Worldwide Small Arms Industry Analysis & 2020 Forecast Report

Analysts forecast the global small arms market to grow at a CAGR of 2.49% during the period 2016-2020.

PUNE, INDIA, September 19, 2016 /EINPresswire.com/ -- [Global Small Arms Industry](#)

The global small arms market has undergone a major transformation over the last one decade. The long-standing wars in Iraq and Afghanistan have infused several changes in the development and manufacture of small arms by both major countries as well as emerging nations of the world. The close quarter combats (CQC) between various military units and militant groups have spawned a wide range of developments in military small arms segment.

These new upgrades range from extensive re-engineering and system modifications to the development of new infantry weapons. The weapons not only aim at rendering long-range engagement capacity but also offer improvements in lethal capability.
