Market Research Analysis:

The market is highly application based. The global water purifier market is highly competitive due to the presence of many established vendors who offer various series of purifiers with advance technology.

On the basis of technology, RO purifiers acquired the largest market share in 2015, the segment is also anticipated to grow at a faster pace due to improved efficiency of the technology in water purification.

On the basis of end-user, the market is bifurcated as commercial and residential and both expected to grow at substantially.

On the basis of channel of distribution, online segment is expected to take lead in near future due to increasing digital activity.

On the basis of region, APAC is the leading market and fastest growing market as well. But, the semi-urban and rural areas of the countries like India still remained untapped.

Brief TOC for Water Purifier Market:

1. Executive Summary
 2. Research Methodology
 - 2.1. Scope of the study
 - 2.1.1. Definition
 - 2.1.2. Research Objective
 - 2.1.3. Assumptions
 - 2.1.4. Limitations
 - 2.2. Research Process
 - 2.2.1. Primary Research
 - 2.2.2. Secondary Research
 - 2.3. Market size Estimation
 - 2.4. Forecast Model
 3. Market Dynamics
 - 3.1. Market Drivers
 - 3.2. Market Inhibitors
 - 3.3. Supply/Value Chain Analysis or Market Ecosystem
 - 3.4. Porter's Five Forces Analysis
 4. Global Water Purifier Market, By Technology
 - 4.1. Introduction
 - 4.2. Gravity Purifier
 - 4.3. UV Purifier
 - 4.4. RO Purifier
 5. Global Water Purifier Market, By End-User
 - 5.1. Introduction
 - 5.2. Commercial
 - 5.3. Residential
- Continue...

Scope of the Report:

This study provides an overview of the global water purifier industry, tracking three market segment across four geographic regions. The report studies key players, providing a five-year annual trend analysis that highlights market size, volume and share for North America, Europe, Asia-Pacific, Rest of the world. The report also provides a forecast, focusing on the market opportunities for the next five years for each region. The scope of the study segments the global water purifier market. Based on Technology, it is bifurcated as Gravity purifier, UV Purifier and RO Purifier. On the basis of End-User, it is segmented as Commercial and Residential. On the basis of Channel of Distribution, it is segmented as Retail stores, direct sales and Online. On the basis of Region, it is segmented as North America, Europe, Asia-Pacific and Rest of world.

About Market Research Future:

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.

In order to stay updated with technology and work process of the industry, MRFR often plans & conducts meet with the industry experts and industrial visits for its research analyst members.
