PUNE, INDIA, July 17, 2017 /EINPresswire.com/ --

The analysts forecast the global currency counting machine market to grow at a CAGR of 3.94% during the period 2017-2021.

[A currency counting machine is](#) used either for counting or sorting or counterfeit detection or all the three, for banknotes and coins. The global currency counting machine market can be segmented by end-user into three segments: banking, financial services, and insurance (BFSI); retail; and commercial. The BFSI sector dominates the market, followed by the retail and commercial sectors. In terms of the market by region, APAC holds the largest share of the global market, followed by the Americas and EMEA. The increasing number of bank branches in the region drives the market growth in APAC.
