SystemDomain, Inc.*

2017 marks OMNIKAL'S 17th annual listing of the USA's top businesses. Over 2 million businesses participated in this year's program. The "Top Businesses" are determined by a selection committee, which evaluates the eligibility for all submissions in each award categories. The selection committee bases their decision on a set of criteria which includes: reviewing each entrant's business profile, website and gross annual sales submitted. The businesses selected on these lists have become highly coveted among corporations, government agencies and educational

institutions that desire to increase opportunities with privately held businesses.

"We are very proud to continue to support men and women who have become the core of our nation's innovation, productivity and economic growth. This distinct group of entrepreneurs continue to produce exceptional results and serve as a prime example for current and future generations," says Kenton Clarke, President & CEO of OMNIKAL.

Shubhi Garg, President, SystemDomain, Inc said, "It is an honor to be recognized by OMNIKAL as Top 500 Inclusive American Businesses. This recognition is an affirmation of our determination to customer satisfaction and innovation to solve the business challenges."

The List

The "Top American Businesses Lists" offers the most comprehensive look at the strongest and largest segment of the United States economy – America's privately held companies. These middle market companies are the most recognized and respected, having truly differentiated themselves in our ever-

evolving inclusive marketplace. "Top businesses that make The OMNI500 Lists receive significant media exposure both locally and nationally, with over 20 million who view and use the lists every year.
