

Affordable Dental Solutions Offers Dental Implants in Berks County

Affordable Dental Solutions has four locations across eastern Pennsylvania, including in Reading, PA.

READING , PENNSYLVANIA, UNITED STATES, December 4, 2017 /EINPresswire.com/ -- Dental implants have long been considered one of the most successful solutions for missing teeth. Now, residents of Reading, Wyomissing, and the surrounding Berks County area can find high-quality, low-priced [dental implants in Reading](#) at Affordable Dental Solutions (ADS).

Dental implants in Reading cost only \$2,000. This low price includes both the abutment and crown.

“Too many people haven’t received the care they need because it’s offered at prices they can’t afford,” explains Dr. Michelle Bernreuther, implants professional at ADS. “We want to change this.”

In addition to dental implants, ADS also offers [dentures in Reading](#). Both full and partial dentures are available, in addition to implant-retained dentures.

Those looking to reclaim a fuller, more confident smile should contact the team of [Reading dentists](#) today: <http://www.affordabledentalsolutions.com/request-appointment/>.

About Affordable Dental Solutions: Based in Eastern Pennsylvania, Affordable Dental Solutions is a provider of full dentistry services. For nearly a decade, Affordable Dental Solutions has offered patients procedures such as dental implants, crowns, and dentures at rates much lower than area competitors by utilizing state-of-the-art equipment and by negotiating discounts with implant manufacturing companies.
