

Royal Vegas has changed the terms on their Welcome Bonus Offer

/EINPresswire.com/ Royal Vegas online casino have updated the terms of their New Player Welcome bonus offer and now it will be much easier for players to claim the full \$1200 free on offer.

The new player welcome bonus is always one of the best casino bonuses on offer and players are always on the hunt for the best deals. Often the welcome bonus is tied in on a deposit match bonus meaning the players will need to deposit at the casino before they can claim any bonuses. The terms and conditions of many welcome bonuses state that the bonus will be paid out over a series of six deposits for instance. Royal Vegas was one of these casinos but they have now changed their terms so players will need to make as little as three deposits in order to claim the free \$1200 on offer.

Casino Bonuses and Jackpots

As mentioned players will scour the internet looking for the best welcome bonuses on offer so Royal Vegas is now ensuring theirs is one of the most lucrative offers to entice players in. Many players will also read [casino reviews](#) before signing up just to make sure everything is above board. Some unheard of online casinos offer great casino bonuses but players will need to be weary of signing up at a casino they are unsure of. The beauty of Royal Vegas changing these terms is that they have a reputation in the online casino world, players feel safe and secure at this casino and will not feel like they are being tricked by a 'too good to be true' [casino bonus](#).

Another reason players read the casino reviews is to make sure that the online casino offers all the things they are looking for in a casino. Many players have spent time developing a [casino game strategy](#) and there is no point in signing up at an online casino that does not support these

games. Once a player has claimed their new player welcome bonus they can use this to play any of the games at the casino, they are not restricted to particular games. Royal Vegas has added 75 free spins to their existing welcome bonus of a free \$1200, these spins can only be redeemed on the slot game Thunderstruck II but the free credits can be used on any game.

Players need to make sure they read the terms and conditions for any casino bonus they claim, the terms will state exactly how to claim a new player welcome bonus and players must follow these instructions. If a player makes an incorrect deposit they can forfeit the welcome bonus so it is important to check the details.
