

2013 Off to a Strong Start for the Independent Building Consultants at zumBrunnen, Inc.

/EINPresswire.com/ The [building consultants](#) at zumBrunnen are proud to announce a large number of new projects, including commissions in Hawaii and Guam. The firm offers a broad range of facility assessment, long-term budgeting and construction monitoring services.

zumBrunnen, Inc., an independent building consulting firm, is proud to announce several new project commissions. zumBrunnen was recently retained to provide services for clients in 13 states throughout the continental US and also commissioned for projects in Hawaii and Guam.

zumBrunnen's services for the new clients include: [property condition assessments](#), [reserve studies](#), construction monitoring services, transition reports, completion and compliance reports and the firm's feature Strategic Capital Replacement Budget (SCRB) and their trademark Campus Wide FacilityForecast® (CFFF). The new projects span a variety of industries and market segments including: senior living, multifamily developments, educational facilities, mixed use developments as well as condo and home owner associations (HOA).

"As independent building consultants, we sincerely appreciate the trust our clients put in us to help them maximize the value of their facilities," said John zumBrunnen, Founder and President of the firm. "We are proud to announce a growing list of new projects all over the country and also in Hawaii and Guam. Smart planning is critical for all businesses, and we appreciate the opportunity to serve such a broad range of clients in so many different industries. In the past six years alone, we have completed more than 600 assessments and budget plans. We want to thank our repeat clients for their continued business and extend a warm welcome to our new clients."

John zumBrunnen, Founder and President of zumBrunnen, Inc.
