E&P Information and Data Management: Future Information & Data Management Strategies for a Changing Industry

SMi Group reports: Industry leading experts in E&P Information and Data Management
will meet in London in February 2014

LONDON, UK, September 26, 2013 /EINPresswire.com/ -- SMi Group proudly presents its 16th annual E&P Information and Data Management conference, taking place in London, on the 12th-13th of February 2014. Registration for the event is now open.

Now in its 16th year, the 2014 conference will provide attendees with a complete update of the industry as it stands today. Focusing on data governance and ownership, cloud computing, knowledge transfers, data formats, big data and standards, this informative event will bring together key oil and gas companies to deliver presentations based on their experiences, problems and solutions.

"
"I've really enjoyed the past few days. Great mix of speakers and topics. Would definitely be interested in attending the next year"."
Performance Manager, BP

This 4 day event will be a fantastic opportunity for companies within the industry to talk to leading experts, it will draw on its 15 years to bring together leading E&P data management professional representing all aspects of the industry. From Asia to Europe the diversity of speakers and delegates will give a broad spectrum of ideas, opinions, problems and solutions. This event promises to be a unique platform for networking and problem solving.

Top-Ranked Speaker Faculty includes leading experts from Exxon Mobil, Shell, BG Group, Saudi

Aramco, Dong E&P, Repsol SA, Kuwait Oil Co, Troika International and many others.
