

# Announcing FLAIRSTREAM: A Luxurious Vintage Airstream Display in Austin

AUSTIN, TX, USA, January 27, 2014 /EINPresswire.com/ -- [Scene Events](#) and [Skyline Xtreme Xhibits](#), specialists in trade show and special event marketing in Austin, announce FLAIRSTREAM, a brandable renovated Airstream mobile lounge that is available for rent as a meeting space, special event location or trade show booth.

Scene Events and Skyline Xtreme Xhibits have partnered to create an innovative and one of a kind trade show booth and corporate meeting space in Austin. FLAIRSTREAM is a remodeled, 1978 Airstream that is now available for rental to corporations, families and individuals who want to create an unforgettable, show stopping adventure for their guests.

[FLAIRSTREAM®](#) is a 28' long Airstream International Land Yacht that has been painstakingly refinished and refurbished into a mobile lounge complete with a conference table or lounge seating for 6, a bar, televisions with satellite and surround sound and a kitchenette.

The Airstream was purchased in Las Vegas, NV and transported to Austin, TX, where the renovations took place. The design and remodel is a collaboration of two companies: Scene Events and Xtreme Xhibits by Skyline who wanted to create an upscale, unique and memorable experience that kept the Austin vibe.

"We completely gutted and rebuilt the interior by hand. One peek in and you're in the lap of luxury with a recycled glass bar, high-quality wooden cabinetry and plush furnishings. We call it a 'lounge on wheels' and think people will really have a lot of fun with it. It's great for big trade show events but it also works really well for corporate meetings and special events. It would be a perfect venue for a corporate retreat or even a Girls or Guys Night Out," noted Reni Sakos Co-Owner of Scene Events ([www.besceneevents.com](http://www.besceneevents.com)).

Scene Events and Xtreme Xhibits are no stranger to innovative trade show marketing in Austin. The companies are known throughout the area for their creation and design of unique environments and experiences that range from weddings and one-day special events to product launches, trade shows and fundraisers.

"FLAIRSTREAM® is the ultimate trade show experience. It's dramatic, unique and a definite eye-catcher. Add to that, the fact that once inside you are suddenly immersed in a totally different environment from that which you just left and it's unforgettable, which is ultimately the goal of any great trade show exhibit," said Jill Amerie, Owner, Xtreme Xhibits by Skyline and Co-Owner of Scene Exhibits.

FLAIRSTREAM® can be uniquely branded for each rental on both the interior and exterior of the Airstream. Rental costs vary depending on the venue location and the level of service provided, and include: drop-off, pick-up and set-up services.

Amerie and Sakos will add more FLAIRSTREAM® brandable mobile environments in the near future. "We showcased the FLAIRSTREAM at the Southwest Showcase on January 23rd and we were overwhelmed by the response. Our trade show booth was by far the busiest as attendees flocked to see the Vintage Airstream. We were told time and time again that we will need many more of these and we already have a few commitments penciled in."
