

Attorney Tor A. Hoerman Selected for List of Top Rated Lawyers in Illinois

CHICAGO, IL, USA, February 6, 2014 /EINPresswire.com/
-- Tor A. Hoerman, a lawyer based in Chicago and Edwardsville, IL who runs a national defective drug and medical device litigation practice, has been named a "Top 100" attorney out of over 90,000 attorneys in Illinois.

The 2014 list of top rated attorneys in Illinois as published in the January 2014 issue of Chicago Magazine includes Tor Hoerman for the practice of Personal Injury Plaintiffs: Products. Given that there are over 90,000 lawyers in Illinois, ranking in the "Top 100" gave Tor a reason to pause and reflect:

"Illinois has so many excellent lawyers. It is truly an honor to be included in the company of these outstanding lawyers. I am grateful to my peers for their selection and will do whatever I can live up to this honor."

In addition to the selection of Tor Hoerman as "Top 100," TorHoerman Law is proud to announce that three of our outstanding attorneys have been selected for inclusion as Illinois Super Lawyers. Congratulations to Eric M. Terry, Steven D. Davis, and Jacob W. Plattenberger for inclusion with this impressive group of lawyers for the third year in a row. Tor further noted:

"Other than serving our clients, there is no greater honor

than being singled out for professional achievement by one's peers. It is a reflection of the hard work of our attorneys to be recognized by the Super Lawyers' rating process."

Super Lawyers selects attorneys using a rigorous, multiphase rating process. Peer nominations and evaluations are combined with third party research. Each candidate is evaluated on 12 indicators of peer recognition and professional achievement. Lawyers cannot buy their way onto the list. The selection process is recognized as legitimate by bar association and courts across the United States.

“

Illinois has so many excellent lawyers. It is truly an honor to be included in the company of these outstanding lawyers.
