

New Team Building Tool Helps to Promote Team Work and Build Relationships in Groups, Clubs, Businesses and Organizations

“Do unto others as you would have others do unto you.” Foster Team Work in any business, social club, civic group or other organization!

AKRON, OH, USA, February 18, 2014 /EINPresswire.com/ -- Applying The Golden Rule to daily interactions with people is a key to success and healthy relationships. The Golden Rule Marble™ is a wonderful way to foster a group or company’s philosophy of [team building](#) and [team work](#) for a common goal.

The Golden Rule Marble™ is a unique, pocket-sized keepsake, consisting of the team building message of “The Golden Rule” inscribed on a brass ring wrapped around an acrylic marble. Translucent colors give the appearance of “light coming from within.” This concept was proven successful as a motivational giveaway back in the 1960’s, though it was plastic back those days. Vallmar Studio has re-designed and re-engineered this wonderful concept, which is now manufactured it as a high-quality custom promotional giveaway product. Foster team work and Build Relationships!

Each one-inch marble comes with a double-sided pamphlet imprinted with the golden rule - neatly folded into a clear, acrylic presentation box. For group, business or club orders, the pamphlet can be custom printed with a special message, statement of values, or other unique affirmation. An organization that values these core values can now readily share that message with associates, other group members and supporters through gifting the Golden Rule Marble™ - a great [team building idea!](#)
