

# IT Governance EU offer free delivery for PMBOK 5 pre-orders

/EINPresswire.com/ The Project Management Body of Knowledge ([PMBOK Guide](#)) will be released on 31 January 2013 in its fifth edition. Following an announcement in November 2012, [IT Governance EU](#) are taking advanced orders for this title and as a special offer are now providing free delivery on advanced orders taken before the official publication date. Pre-orders can be made on their website [www.itgovernance.eu/p-933.aspx](http://www.itgovernance.eu/p-933.aspx).

Copies of PMBOK 5 will be delivered free of charge to customers within Europe when orders are placed before 31 January 2013.

The fifth edition of PMBOK has been updated to reflect the latest changes in project management international best practice. As a result this title will be the most up-to-date book on the market.

Alan Calder, CEO and founder of IT Governance Ltd, commented; "By pre-ordering PMBOK 5 from IT Governance EU, our customers can be ensured that they will be of the first to receive this title in Europe. Our warehouse, which is situated in Benelux, means fast and, with our delivery special offer, free delivery for all of our European customers."

PMBOK 5 will include a new Knowledge Area, which expands on the importance of engaging appropriately with project stakeholders in key decisions and activities. This title will also include four new processes, titled Plan Scope Management, Plan Schedule Management, Plan Cost Management and Plan Stakeholder Management. These have been added to reinforce the idea that each of the additional plans are integrated in to the overarching project management plan.

PMBOK 5 is available to pre-order from IT Governance EU here: [www.itgovernance.eu/p-933.aspx](http://www.itgovernance.eu/p-933.aspx)

## NOTES TO EDITORS

IT Governance Ltd is the one-stop shop for books, tools, training and consultancy for IT governance, risk management and compliance. It is a leading authority on data security and IT governance for business and the public sector. IT Governance is 'non-geek', approaching IT issues from a non-technology background and talking to management in its own language. Its customer base spans Europe, the Americas, the Middle East and Asia. More information is available at [www.itgovernance.co.uk](http://www.itgovernance.co.uk).
