

# Stand out from the crowd with graffiti and cartoon prints

---

/EINPresswire.com/ UK (Submitpressrelease123.com - press release) If you're looking for clothing that'll help you turn heads and leave a lasting impression, then you might like to know that there are a selection of graffiti and cartoon prints currently available from leading online fashion retailer SheLikes.

Printed day dresses are always sure to make you cut a dash wherever you go - so why not try the Brianna cap sleeve graffiti print mini dress? It's now available from SheLikes for just £15.00, and is sure to work well with [trendy faux leather jackets](#). Or perhaps the Juliette graffiti cartoon print side mesh mini dress - priced at £21.00 from SheLikes - might be more up your street. Whatever you're looking for, you're sure to find something bold and bang on trend from SheLikes.

"Cartoon and graffiti prints are always funky and quirky, so anyone who's looking for something that's colourful and a little off the wall will find our selection has something that's right for them," said Nick Puri, Managing Director at SheLikes. "What's more, we make it our mission to ensure we provide our customers with genuine value for money as well as great style, and we also have women's high heels available which are sure to work perfectly with our graffiti and cartoon print dresses."

Also currently available from SheLikes is the Hanah graffiti print twist front bodycon dress, which features short sleeves and a striking graffiti print design all over and is priced at just £15. The Nicki cartoon graffiti print midi dress, available for £15, is made for partying and features a scoop neck design as well as a unique, colourful cartoon print.

Also, its Picasso-like print makes our Blaise graffiti print  $\frac{3}{4}$  sleeve bodycon dress - priced at £18 - tons of fun.

SheLikes also has [ladies evening tops available](#) and much more besides. To browse our wide range of ladies' clothing, simply visit our website at [www.shelikes.com](http://www.shelikes.com).
