FORT MYERS, FL -- Title Junction is sponsoring and will be attending the Christian Chamber of Southwest Florida's Annual Business Expo on Thursday, March 28. The event runs from 3 to 6 pm at Edison State College, Building U. As a member of the Christian Chamber, Title Junction is one of 45 businesses that will be exhibiting at the event. Admission is free and open to the public. Prize drawings and refreshments will be available.

"As a member and a sponsor we are really looking forward to participating in this Expo. It's such a fun afternoon, mingling with guests and networking with other businesses in the area. It's a great way for us to meet our community neighbors and do some impromptu education about title insurance and the closing process. You never know what kind of questions you're going to get, which is part of the fun in my opinion," noted Jennifer Ferri, Owner of Title Junction (www.title-junction.com).

Attendees are encouraged to arrive promptly at 3 p.m. in order to have time to register for the 30 prize drawings planned for the event. Staggered throughout the afternoon, the drawings will culminate with a 6 p.m. Expo Passport Grand Prize.

Title Junction will be on hand to share information about the company and its services, but also to answer general questions about [Lee County title insurance](#) requirements and the role of the title agency in real estate transactions. In addition to title insurance, Title Junction provides notary public services, can act as a witness or provide courtesy closing services, foreign investor services, including meeting FIRPTA requirements, along with escrow services in Fort Myers and beyond. The company works throughout the State of Florida, handling commercial and residential real estate transactions.

"I really enjoy participating in events like this. The Christian Chamber is more than just a place for

businesses to network and connect. Every member of the organization is dedicated to making our community a better place and giving back whenever they can and as much as they can. I'm proud to be associate with an organization making such positive impacts in the community," explained Ferri.
