

# Woodbridge Family Dental Announces a Back to School Special for Children Up to 13 Years Old

WOODBIDGE, VA, USA, July 22, 2013 /EINPresswire.com/ -- As students prepare to go back to school, Woodbridge Family Dental intends to make it affordable for every child in Woodbridge to get needed and deserved dental care.

As children in Woodbridge prepare to go back to school this fall, many parents are caught in a dilemma. While their sons and daughters certainly need clothing worthy of the school setting, school supplies, and money for incidentals, all of those needs lead inexorably to budgetary decisions. All too often, dental coverage is a casualty of these other important considerations.

As Dr. Hassanoor Abdirahman of Woodbridge Family Dental explains it, "today's family deals with tighter budgets than ever before. In a time when everything seems to go up in price but the paychecks of the American middle class, we understand that there is a generation of kids who are not getting necessary pediatric [dental care. In Woodbridge](#), we are here to help."

For a limited time, Woodbridge Family Dental offers a New Patient Special – a \$79 Child Exam and cleaning. For those looking for a kids dentist in Woodbridge, there is no better time to act.

The \$79 Child Exam in Woodbridge includes everything you would expect from a pediatric dental exam.

A dental exam and [x-rays in Woodbridge](#) are included in the \$79 rate. These allow the dentist to see any emergent issues with teeth, including cavities and crowding, overbites and underbites; additionally, gum and other mouth health issues are spotlighted.

In addition to those elements of a [Woodbridge dental exam](#), a thorough teeth cleaning is part of the package. Woodbridge Family Dental uses fluoride for its cleanings, to provide the best possible clean.

The Woodbridge Family Dental office serves customers primarily from Woodbridge, Dale City, Dumfries, Manassas, Triangle and Stafford, though people do travel from farther away on occasion.
