

# St. Louis Asphalt Company Now Offering Free Estimates on all Asphalt Services to Customers

---

*Asphalt Paving and Concrete is offering free estimates on all asphalt services—from paving to sealcoating, resurfacing, striping, grading and more!*

HAZELWOOD, MO, USA, September 6, 2013 /EINPresswire.com/ -- In order to keep pavements in good condition, a professional and skilled expert should be hired to maintain the upkeep. Asphalt Paving and Concrete has more than 50 years of experience providing high-quality [asphalt services in St. Louis](#) and surrounding areas and is currently providing free estimates on all potential asphalt jobs. Whether line striping is needed in a parking lot or driveways need to be restructured, customers can expect to receive quality assistance from this top-rated asphalt company.

From sidewalk cracks to growing potholes, many surfaces will begin to deteriorate sooner or later. However, the trained and qualified professionals at this [St. Louis asphalt company](#) are always prepared to fix any issues that arise in the Greater Missouri area. Advanced, high-quality equipment is used to guarantee a long-lasting, finished look and customers can expect to be wowed by the outcome. No matter the extent of the job, Asphalt Paving and Concrete is well-known for tackling major and minor tasks with the same level of hard work and dedication.

Customers who receive a free estimate on their asphalt services remain informed throughout the entire process. Before any work begins, property will be fully inspected to determine the extent of work that needs to be done. This may include a soil analysis and extensive measurements to ensure that concrete and asphalt are placed in their proper areas. All work is completed on time in a safe and professional manner with regard to each customer's budget and personal schedule.

From the beginning of the project to the very end, Asphalt Paving and Concrete aims to provide clean, smooth and durable surfaces that will stand the test of time. If heavy traffic ever becomes an issue or damage has occurred to any new surface, repair work is also available.
