*Simply E Cig, a UK based company, announced the delivery of electronic cigarettes worldwide.*

LANCASHIRE, BLACKBURN, UK, October 19, 2013 /EINPresswire.com/ -- urging sales for the company. Simply [E Cig](#) is one of the leading suppliers of electronic cigarettes in the UK. The company has been able to expand its operation globally due to the quality products it offers and excellent customer service as well. Customers who are looking for quality electronic cigarettes and live in other countries can now place their order at Simply E Cig and get their electronic cigarettes delivered right at their doorstep.

Simply E Cig despite being a new entrant to the electronic cigarette industry has been able to establish a very strong presence. The company has an excellent web presence with its interactive website. The website of the company offers all detailed information regarding the electronic cigarettes. The catalogues on the website are updated regularly and more innovative electronic cigarettes are added to the catalogue for providing more choices to the customers. There is a huge collection of electronic cigarette models and e-liquids on the website of Simply E Cig.

Customers can find various flavors in e-liquids on the website of Simply E Cig including apple flavor, tobacco, kiwi mix flavor, fruit mix, red cola, strawberry, orange and mint, cherry, blueberry, apple mint, pineapple and coconut, red American tobacco flavor, BH gold silver tobacco flavor, Virginia green tobacco flavor and many others. The company also offers excellent return policy. The policy has been designed in order to satisfy the customer in every possible way.

The residents of the UK have the added advantage as Simply E cig offers free home delivery service exclusively to them. Customers can simply place their order online and receive their electronic cigarettes right at their doorstep. The company offers all accessories for electronic cigarettes which mean that the customers don't have to choose multiple suppliers for different additional items such as batteries, atomizer and many more. Customers can safely choose Simply E Cig as their sole provider of electronic cigarettes along with other accessories.

The decision to supply electronic cigarettes worldwide was made after receiving many queries from customers all around the world. The spokesperson of Simply E Cig said, "Simply E Cig is proud to supply electronic cigarettes worldwide. The company has expanded its operations globally over the time and plans to reach out for all customers who wish to switch to electronic

cigarettes. We have established networks with best manufacturers and suppliers with excellent delivery system. Customers will be delighted to choose Simply E Cig as their regular electronic cigarette supplier.”

We take pride in offering the very best quality and value electronic cigarettes, [ecig](#), and we have since streamlined our impressive and worldwide supply process with reputable and reliable manufacturers and retailers
