

Payment Processor BluePay to Exhibit at IRCE 2014, World's Largest E-Commerce Event

Payment processor BluePay, will be exhibiting at IRCE 2014, June 10-13, 2014, at McCormick Place West in Chicago.

NAPERVILLE, IL, USA, June 3, 2014 /EINPresswire.com/ -- Payment processor [BluePay](#), a leading provider of ecommerce payment processing services, will be exhibiting at IRCE 2014, June 10-13, 2014, at McCormick Place West in Chicago.

IRCE (Internet Retailer Conference & Exhibition) will be celebrating its 10th anniversary as the largest event in the e-commerce industry.

Members of the BluePay team will be demonstrating and answering questions about its secure gateway, virtual merchant terminal, and hosted payment forms.

Interested merchants will also have the opportunity to receive assistance completing a short electronic application form to begin accepting credit cards and ACH payments.

Visit Booth #1975 to learn how BluePay can offer fast, easy, and secure e-commerce credit card processing.

To register as an attendee at the event and receive 10% off the registration fee, visit <http://www.xpressreg.net/register/irce064/start.asp?sc=1975BLU>. The discounted rate is only available until June 7.

BluePay is a leading provider of technology-enabled credit card payment processing services for enterprise, small, and medium-sized businesses in the United States and Canada. Through physical POS, online, and mobile interfaces, BluePay processes payments and provides real-time settlement, reporting, and reconciliation, along with robust security features such as tokenization and point-to-point encryption. BluePay is headquartered in Naperville, Illinois, with offices in Chicago and New York. For more information, follow BluePay on all of the social media outlets or visit BluePay
