CLEVELAND, OH, USA, October 3, 2014 /EINPresswire.com/ -- ([Cleveland](#), OH October 3, 2014) – [Brightside Academy](#)'s 10548 St. Clair Avenue location in Cleveland, Ohio held a Fathers Walk Your Child to School Day on September 18, 2014 which is part of Cuyahoga County's fatherhood initiative program.

"All fathers from our academy were invited to walk their children to school," stated Tonya Byous, Academy Director. "Once they arrived at school we made the time more enjoyable by hosting a light breakfast and asking the fathers to participate in the morning's activities with their children."

Over 15 fathers participate in the day's events which provided them with an opportunity to partner with us in the education of their children.

Brightside Academy believes a supportive environment promotes discovery and growth for children. Part of that environment includes having our children's fathers more involved with their education and [care](#). In many families, mothers are the ones we see dropping off and picking up their children, volunteering their time at school and helping with their learning and development.

Brightside Academy wants a child's first experience outside the home to be a great one. Therefore Brightside Academy looks to help its parents understand the difference between babysitting and a high-quality early education program.

There are three reasons families choose Brightside Academy: affordable, quality care, and its nurturing home-like environment. Brightside Academy fosters growth and development through stimulating curriculum, age appropriate activities and trained teachers. Thank you to fathers who actively participate in all aspects of their children's lives.

Brightside Academy is a leader in child care and early education that provides all families access to an excellent early educational experience. Brightside Academy operates academies in multiple cities in Pennsylvania, Ohio and New York. For more information, visit [BrightsideAcademy.com](#).
