## Summary

The Global [Confectionery market](#) in 2015 was valued at US\$158.4 billion and is expected to post a value CAGR of 3.6% during 2015-2020. Growth in the global

market is expected to come mainly from the developing countries in the Asia-Pacific region followed by the North American region, while the Latin American market is expected to decline. In developed markets (such as the US, the UK and France), novelty is crucial and consumers look for exotic and different flavors, while in developing markets (such as Brazil, China and India) novel products as well as those with nostalgic flavors are popular. Furthermore, the global market is highly fragmented with the top 5 brands holding just 7.1% of the combined market share in 2015. Dairy Milk, Trident, Snickers, Milka and Ferrero Rocher are the leading brands with the highest market share in 2015.

## Key Findings

- Robust growth from developing countries will drive global Confectionery market
- Healthy eating trend, shift towards e-commerce, cocoa sustainability and rising ingredient cost are the key challenges faced by the Confectionery industry
- In Asia-Pacific, China, India and Japan are the largest markets for Confectionery products in value terms
- Global Confectionery market is highly fragmented with the top five brands accounting for 7.1% of the combined market share
- The Sugar Confectionery category has the highest market share for private label products in the global Confectionery market
- Hypermarkets & Supermarkets is the leading distribution channel in the global Confectionery market
- Flexible Packaging is the commonly used packaging material in the global Confectionery market

## Synopsis

Global report on the Confectionery market provides insights on high growth categories to target, trends in the usage of packaging materials, types and closures category level distribution data and brands market shares.
