The Satellite-based Earth Observation Services Market in the US 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. The report also includes a discussion of the key vendors operating in this market.

Key Vendors

- DigitalGlobe
- MacDonald, Dettwiler & Associates
- Skybox Imaging

Other Prominent Vendors

- GeoOptics
- Planet Labs
- PlanetlQ

Market Driver

- Enhanced Image Availability
- For a full, detailed list, view our report

Market Challenge

- Proper Budget Allocation
- For a full, detailed list, view our report

Market Trend

- Growing Public Private Partnership
- For a full, detailed list, view our report

Key Questions Answered in this Report

- What will the market size be in 2019 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?

- What are the market opportunities and threats faced by the key vendors?
- What are the strengths and weaknesses of the key vendors?
