

# The Ultimate Vein Guide Launches Physician Finder 2.0, Providing Impactful Insights to Information-Seeking Consumers

*Searchable Physician Finder offers research and reviews of vein practices across the United States, all in one convenient place*

CHICAGO, IL, USA, June 28, 2018 /EINPresswire.com/ -- The Ultimate Vein Guide, the go-to resource on varicose vein treatment, unveils today its newly minted Physician Finder 2.0, an update to its free find-a-vein-specialist resource available exclusively on [theultimateveinguide.com](http://theultimateveinguide.com). Consumers making crucial decisions about vein treatments now have a one-stop shop to analyze the best practices in their area.

“The launch of our updated Physician Finder ushers in a new era for The Ultimate Vein Guide,” said Ken Langworthy, Registered Vascular Technologist (RVT), the founder of The Ultimate Vein Guide. “We have created a tool that allows us to be the epicenter of resources and information about the vein industry — we’re essentially a kind of Angie’s List for vein specialists.”

The [new Physician Finder](#) includes the following:

- \_ A searchable map by zip code or city that allows users to find vein specialists in their area;
- \_ Spider vein and varicose vein treatment physicians listed by city;
- \_ Detailed contact and address information for hundreds of specialists worldwide;
- \_ Listings of specific specializations of each practice;
- \_ Hours of operation for each location;
- \_ And a detailed reviews section;
- \_ All recent Google reviews readily accessible
- \_ Yelp reviews too

As part of its mission to be the most comprehensive resource on vein treatments, The Ultimate Vein Guide will also soon release its inaugural “America’s Top 250 Vein Practices” rankings later this summer. The list will provide the public a comprehensive list of the best vein specialists and practices

for treating varicose veins.
