

ter Hürne Laminate Floors: The Full Range Now Available at Wood4Floors

Wood4Floors now holds the complete range of ter Hürne Laminate Floors

LONDON, GREATER LONDON, UNITED KINGDOM, July 4, 2018 /EINPresswire.com/ -- [Wood4Floors](http://Wood4Floors.com), a well known supplier of premium quality wood flooring in the United Kingdom, brings you a new and exclusive collection of laminates, created by a family-owned manufacturer from the Munster region of Germany, ter Hürne.

For the better part of 35 years, we have been known for supplying the United Kingdom with [innovative flooring products](#), most of which are sourced and manufactured by sustainable brands. That is also the case for the newest addition to our shelves, ter Hürne products. 'Some of the best natural and modern Laminate designs in recent years – from ter Hürne, the real wood manufacturer – a great new expansive range with genuine quality,' said Mike Kildea, owner of Wood4Floors.

These ter Hürne laminates represent our commitment to sustainability, authenticity and quality.

The '[Made in Germany](#)' tag has always served as a first-class quality promise that's acknowledged worldwide. All ter Hürne laminates are crafted in Germany so homeowners can be assured that only natural components are used in its creation. Since the premium manufacturer considers ecological aspects in their choice of materials and production, they can also guarantee that the laminates are conducive to living healthy lifestyles.

“

Mike Kildea owner

Aside from quality, we've always valued flooring products that are realistic for every home or budget. With the help of ter Hürne, we can bring you a floor that can be laid almost anywhere. We can introduce you to laminates that can be set up on various kinds of surfaces, even ones where other types of flooring fail. Best of all, we can show you that a floor can be installed quickly and effortlessly by any homeowner.

Customers can choose from four different colour collections and 63 design details on our website. We can help you find the right type of flooring that can stand on its own and enhance the rest of the elements in your personal

Great range of designs

or commercial space.

The complete set is now available for viewing and purchase at the Wood4Floors showroom located in London UK. Customers can also proceed to the ter Hürne virtual floor studio

Discover our Key-DNA

Living in a healthy home environment

As a German family-owned business from the Münster region we have dedicated ourselves for almost 60 years to developing products that are sustainable and are conducive to healthy living, while setting the highest standards in terms of function and aesthetics.

Taking nature as our example, we use our passion, expertise and flair for good design to create unique engineered hardwood flooring that integrates traditional craft skills and sophisticated technology combined with maximum resource efficiency for our shared environment.

This aspiration is the benchmark for the development of all the products and ranges by ter Hürne.
