MSAB Sign up to the Border Security Conference, taking place in Rome in February

LONDON, UNITED KINGDOM, January 3, 2019 /EINPresswire.com/ -- Event organisers SMi Group are delighted to announce that MSAB will sponsor, speak and exhibit at the 12th annual Border Security conference, taking place in Rome on the 12th and 13th February 2019.

MSAB is a pioneer in forensic technology for mobile device examination. With offices worldwide and products in over 100 countries, MSAB has a global reach. The company has been involved with mobile communications since 1984 and has a singular focus on the forensic recovery of data from mobile devices.

SMi Group's sell-out conference series returns with an agenda curated to reflect various nation's continuous progress and strategies to achieve 'seamless and autonomous' border controls across land, sea and air.

The agenda is available at: http://www.bordersec.com/einpr

Day 1 will focus on maritime border security (the global migration crisis, European border control operations, the first permanent kiosk-based border control solution in the EU), airport border security(next-Generation Biometrics, seamless border initiatives, preventing terrorist attacks, data analytics), migration management (Steps taken to reduce the risks and effects of cross border criminality, future initiatives, EU strategy).

Day 2 will focus on border biometrics and data management (US borders, the evolution of technology), international co-operation (cross-border partnerships between INTERPOL, improving networking capabilities), border policing strategies, counter cross border terrorism and border security(lessons learnt, a case study on Turkey, Lebanon, Tunisia and Morocco).

Industry and government organisations presenting at the conference, include: Italian Navy, Portuguese Navy, US Department of Homeland Security, Airpol, Interpol, Europol, EU lisa, Government of Aruba, Finnish Customs, Swedish Police Authority, OSCE, German Federal Police, IOM - International Organization for Migration, Brussels Airport Company, Identity for Services,

European Union Dedication to Turkey, Hungarian National Police, Estonian Police and Border Guard Administration, International Centre for Migration Policy Development (ICMPD), Borders & Immigration, Leonardo, Vancouver Airport Authority, Gatekeeper Intelligent Security, Worldreach Software, Cellebrite, MSAB and more.

For those interested in attending 2019's Border Security conference; booking(s) can be made online at: http://www.bordersec.com/einpr

The full conference brochure can be downloaded from the event website.
