

CONCEPT Professional Training at Palo Alto University Announces Summer Training Institute 2019

Workshops Focusing on Clinical and Forensic Mental Health. Attend In-Person or via Live Streaming from your office or home

PALO ALTO, CALIFORNIA, UNITED STATES, April 16, 2019

/EINPresswire.com/ -- (Palo Alto, CA – June 17th – 21st, 2019) – CONCEPT

Professional Training at Palo Alto University, a global leader in online professional training in mental health, announced today that they are hosting Summer Training Institute 2019 at Palo Alto University June 17th – 21st, 2019.

Summer Training Institute offers five days of workshops presented by internationally recognized experts: Drs. Stephen Hart, Brianne Layden, David Martindale, Martin Sellbom, Jaime Brower, Yotam Heineberg, and Philip Trompetter. These instructors rely on evidence-based best practices and relevant research outcomes to form the basis for the training and then highlight the clinical applications of the research evidence. Case studies and clinical examples illustrate forensic evaluation the concepts and their application.

This 5-day professional training opportunity is appropriate for clinical mental health professionals, law enforcement and correctional professionals, threat assessment professionals, forensic and custody evaluators, legal professionals, social workers, counselors, and those wishing to add to or elevate their clinical practice.

Want to join but cannot get to Palo Alto? – consider virtual attendance. This year virtual attendance for the summer training workshops is an option via ZOOM. Attend from the comfort of your own computer, laptop, tablet, or phone, for a discounted rate.

About CONCEPT PROFESSIONAL TRAINING (<http://www.concept-ce.com/>)

Consolidated Continuing Education and Professional Training (CONCEPT) provides expert professional training in areas relevant to criminal and civil forensic mental health assessment, correctional, law enforcement, forensic intervention and more. CONCEPT's professional training programs are presented by the field's top experts and are based on empirical research and best practices. CONCEPT is dedicated to providing premium professional training, enhanced by technology and e-learning pedagogy, in an accessible online format. All training programs are based on the latest research and evidence-based practices, which enables participants to

incorporate relevant, up-to-date information based upon a solid scientific foundation into their practice. In addition to professional training, CONCEPT offers free resources to promote lifelong learning and to allow participants to stay at the top of their practice. (concept-ce.com)

About Palo Alto University (<https://www.paloalto.edu/about>)

Palo Alto University (PAU) is a private, nonprofit educational institution, founded in 1975 as the Pacific Graduate School of Psychology (PGSP), an independent, professional school. PGSP was first accredited in 1986 by the regional accrediting body, the Western Association of Schools and Colleges. It has been continuously accredited since then. PGSP re-incorporated as Palo Alto University in August 2009. PAU is dedicated to education with an emphasis in the behavioral and social sciences; to promoting future innovators and leaders for the benefit of society; to generating knowledge through research and scholarship of the highest level; and to providing services to the community informed by science and scholarship.
