The Salisbury location has sleep specialists to help you find the perfect mattress. When you come into this new Mattress Warehouse location, make sure to test out the patented [bedMATCH™](#) system. This technology uses a variety of measurements and scientific calculations, which will help the sleep specialists narrow down hundreds of mattress selections to just a few. This makes your decision easier knowing that it's based on science, and your specific measurements, not high-pressure sales tactics.

Every store carries the latest mattress models from top brands such as Aireloom, Kingsdown, TEMPUR-Pedic, Serta, Sealy, and more. Mattress Warehouse stores also carry a wide range of sleep accessories, pillows, sheets, and protectors from Bedgear, Sealy, Brookstone, and more.
