The Blasco Family has three children – a newborn, a three-year-old and a five-year-old. The entire family shopped around at different mattress stores in the Mechanicsburg area and ended up choosing Mattress Warehouse. They said the reason they decided to go with Mattress Warehouse over other locations was because of their low prices, patented bedMATCH™ technology, and the friendliness of the Mattress Warehouse sleep expert at this location, and of course, because of the possibility to win a free mattress through the “What’s your bedMATCH?” giveaway.

Karen Kelly is the store manager and sleep expert at the Mattress Warehouse - Carlisle Pike location in Mechanicsburg, where the Blasco’s made their purchase. She recalls how the Blasco family came in together and how they were able to find the mattress that was right for them through bedMATCH, and how she was able to offer a military discount to this incredibly deserving family. “Everyone at Mattress Warehouse is always excited to help out the members of our military”, said Kelly. “If anyone needs a good night’s sleep, it’s them!”

Tim Blasco is in the Air National Guard and will be deploying again shortly. Mattress Warehouse thanks Tim and the Air National Guard for their service and wish them all well on their upcoming deployment.

With the restorative powers that a quality night of sleep offers, new mattresses, and pillows are exactly what this family needs as they prepare for their Husband and Father’s deployment. The

utilization of the Mattress Warehouse bedMATCH™ technology guarantees that the family will have mattresses that are perfect for their specific sleep needs, resulting in the quality sleep they all deserve. Mattress Warehouse is honored to be a local company, helping local military families such as the Blasco's.
