

# Global Food and Beverage Packaging Coating Market 2019 Analysis, Growth, Size, Share, Trends & Forecast To 2025

*Wiseguyreports.Com Adds "Food and Beverage Packaging Coating – Global Market Growth, Opportunities, Analysis Of Top Key Players And Forecast To 2025"*

PUNE, MAHARASTRA, INDIA, September 11, 2019 /EINPresswire.com/ -- [Food and Beverage Packaging Coating](#) Market 2019-2025

Market Summary:-

The need for preserving food quality is a major factor that is expected to surge the Food and Beverage Packaging Coating market. The rise in demand for retaining freshness of food and deliberate efforts made by manufacturers to prolong shelf life are other factors that is expected to intensify the market growth. As manufacturers are switching to durable and sustainable packaging solutions, reduction in storage price is noted to drop. As packaging solutions are observed to witness a high adoption rate across the ever-expanding food and beverage industry, the market is likely to register a profound growth in the coming years. In addition, the availability of beverage in different flavors is expected to gain traction for the worldwide market. This is because, the sales of such beverage is high, which surge their production. The significance of packaging lies therein.

However, the market can encounter challenges such as use of plastics that threaten the environment, can interfere with the market growth.

The following manufacturers are covered:-

Akzo Nobel

Arkema Group

Axalta Coating Systems

BASF Coatings GmbH

Nippon Paint Holdings

PPG Industries

Sherwin-Williams

Dow Chemical

Valspar
