A Handcrafted [Jewelry](#) Designer, Kimberly would love to introduce you to her take on jewelry that is designed for women with a style that is sophisticated, soft, playful and edgy.

“

And now here is my secret, a very simple secret: It is only with the heart that one can see rightly; what is essential is invisible to the eye.”

Antoine de Saint-Exupery, The Little Prince

Metalhead by Design Jewelry features Her signature Copper, Cork, Suede, and Brass paired with traditional metalsmithing craftsmanship to make distinctive pieces.

Holiday parties, New Year’s Eve, and every other winter function are events when women want to stand out, make a statement, and showcase her individual style - and with The Autumn Nights Collection she created pieces that allow you to do just that while keeping them accessibly priced.

From bracelets and Hairpins to necklaces, earrings to rings, she loves to help your women be “comfortably edgy” in jewelry that will have people asking, “Where did you get that?”.

Thus, for the first time, Kimberly has created an entire product line of her favorite and most popular Jewelry pieces. The new Autumn Nights Collection is scheduled to go live on October 18th, 2019.

The collection will be exclusively sold on the website www.metalheadbydesign.com where the limited products are scheduled to sell out by the end of the season.

The jewelry is designed to showcase earthiness with an edge that make women feel connected and wild.

Several products come in black, browns, reds, and greens to capitalize on the season.

Some pieces are made from cork which means women will be able to wear these pieces anywhere without feeling weighed down.

The Autumn Nights Collection ranges in price from \$20.00 for stud earrings to \$50.00 for a 5-wrap bracelet/choker.

Kimberly is excited to welcome her fans to her the new handmade product line collection they've been requesting.
