Methyl Chloride
Market - 2019-2025

Methyl Chloride Market - 2019-2025

Market Overview

Methyl chloride is a colorless extremely flammable gas with a mildly sweet odor. The global methylene chloride market, along with its end products, has witnessed a stagnant growth from the past few years, and this growth is estimated to continue in the coming years. High demand growth for methylene chloride in emerging economies such as China, Japan, and India is the keydriver as per the current market dynamics. The demand is also backed by newer and industrial applications. Upcoming safety regulations and innovative techniques developed for methylene chloride will be key influencing factors for the global market with the increased emphasis on different applications.
