HA NOI, HA NOI, VIET NAM, November 3, 2019 /EINPresswire.com/ -- ISO certification is very important to many businesses. ISO-CERT INTERNATIONAL CERTIFICATION OFFICE to assists companies that want to obtain International Standard Certification in Vietnam.

ISO services in Vietnam are increasingly growing along with the rise of business companies that require ISO certification. ISO is an abbreviation of the International Organization for Standardization. The International Organization for Standardization was founded on February 23, 1947, is an independent, non-governmental, international organization that develops standards to ensure the quality, safety and efficiency of products, services and systems. Therefore, the companies that have obtained ISO certification can certainly be approved by international standards.

Presently, more and more companies in Vietnam are improving their quality. As a result not only consumers are increasingly interested, but they can also improve their quality and standards internationally. Most of all

businesses have implemented construction of quality management services that meet the ISO 9001, standards issued by the International Standardization Organization (ISO).

ISO-CERT INTERNATIONAL CERTIFICATION OFFICE offers to assist in obtaining ISO 9001 certification. The latest ISO 9001 is ISO 9001:2015 version. By implementing the ISO 9001, the
