When someone needs around-the-clock care, it's common to think the only option is placing your loved one into a long-term care facility. However, with Comfort Keepers, that is not the only option. [Live in care](#) for seniors is available.

Comfort Keepers offers in home care services that allow your loved one to remain safe in the comfort of their own home.

Our highly-trained, compassionate caregivers are available to provide live in caregivers that offer 24 hour in home care services for seniors and other adults who:

“

There are only four kinds of people in the world. Those who have been caregivers. Those who are currently caregivers. Those who will be caregivers, and those who will need a caregiver.”

*Rosalyn Carter*

- need assistance throughout the day and evening
- wake up frequently in the middle of the night
- need assistance with personal care
- are prone to sleepwalking or wandering
- may experience loneliness

need assistance with household chores, preparing meals, shopping, and other errands
