

# Registration Opens for Future Armoured Vehicles Weapon Systems 2020

*SMi Reports: The fifth annual Future Armoured Vehicles Weapon Systems conference is set to convene in London on 3rd - 4th June 2020.*

LONDON, UNITED KINGDOM, February 11, 2020 /EINPresswire.com/ -- SMi Group are pleased to announce the return of the [Future Armoured Vehicles Weapon Systems conference](#), which will convene in London on the 3rd - 4th June 2020 for its fifth year.

High level military personnel and industry leaders from around the globe will gather to gain insight on the latest developments in firepower capabilities and weapon systems for next generation armoured vehicles. Industry experts will provide an overview of cutting-edge weaponry, ammunition systems and turret modifications transforming mounted close combat effectiveness in the 21st Century.

The conference is the only one of its kind, with a specific focus on future weapon systems for Main Battle Tanks and Armoured Fighting Vehicles. Bringing together senior personnel, engineers and technical directors from the industry, [Future Armoured Vehicles Weapon Systems 2020](#) will provide the perfect platform to network and hear the latest updates in the field.

A £400 early bird discount will be applied to bookings made before February 28th 2020 at: <http://www.fav-ws.com/EINpr1>

Highlights for 2020:

- Keynote briefings from senior managers from leading armoured vehicle programmes from across the NATO-aligned world
- A unique emphasis on developing versatile lethality capabilities by exploiting open electronic architectures and a modular approach to weapon system integration
- Focused and high-level discussion featuring technical managers and project engineers from both military and industry
- Generating knowledge and expertise following recent procurement processes within international militaries

Snapshot of Speakers:

The banner features the SMi logo in the top right corner with the tagline 'LINKING BUSINESS to INFORMATION'. The main text reads 'FUTURE ARMOURED VEHICLES WEAPON SYSTEMS' in large, bold, white letters on a dark background. Below this, it says '3rd - 4th June 2020 | London, UK'. The background of the banner is a photograph of a modern armoured tank in a desert environment. At the bottom of the banner, the website 'www.fav-ws.com' is displayed in white text on a black background.
