

New dates announced for Future Armoured Vehicles Situational Awareness and Military Robotics and Autonomous Systems 2020

SMI reports: Both conferences originally scheduled in April will now take place 2-3 September 2020 in London, due to COVID-19 and health and safety precautions

LONDON, UNITED KINGDOM, March 25, 2020 /EINPresswire.com/ -- After careful consideration, SMi Group have decided to postpone the 5th Annual [Future Armoured Vehicles Situational Awareness](#) and 3rd Annual Military Robotics and Autonomous Systems Conferences in London, UK, which was originally scheduled to take place on the 1st-2nd April 2020.

In recognition to the growing health risks worldwide related to the COVID-19 virus, both events have been postponed to [2nd-3rd September 2020 at the Cophorne Tara Hotel](#), for the wellbeing of the events' delegates, partners, and staff.

SMi Group commented "We hope that we can count on your commitment and flexibility in this challenging time and we are confident that with your support this year's conferences will be another success".

Delegates can [contact a member](#) of the SMi Team for more information at customerservices@smi-online.co.uk
