

COVID-19 Testing Sites Available FREE at AtoZdatabases.com

AtoZdatabases.com announced today that it will now offer a Free COVID-19 testing site locator on its database.

OMAHA, NE, UNITED STATES, July 27, 2020 /EINPresswire.com/ --

AtoZdatabases.com announced today that it will now offer a Free COVID-19 testing site locator on its database. In addition to being the leading and most trusted source in libraries for patrons to find information such as health care facilities, government and social services providers – AtoZdatabases.com will now make this invaluable pandemic information available to anyone in the United States.

"In this time of unprecedented hardship, people need to be able to find COVID-19 testing sites in their local neighborhood. AtoZdatabases.com provides that resource with this new FREE service," said Jordan Laborde – General Manager for AtoZdatabases. "Because this information is so valuable and needed in today's climate, we have made it available to subscribers and NON-subscribers alike @ <https://marketing.atozdatabases.com/covid-19/> completely FREE."

Over 2,200 Libraries nationwide provide the AtoZdatabases.com product to their communities which includes:

- Nationwide Jobs Database – with over 7 Million Jobs available
- 30 Million Businesses – with Executive Name and Title
- 220 Million Consumers – with Age, Income and Home Value available
- Small Business Growth Tools – To Boost the Economy in your Home Town
