"Don't wait until things get to the worst possible scenario before you make your move," the spokesperson said, before adding that Empire Plumbing offers [free estimates](#) to anyone who needs one.

"The best plumbers in Ontario will offer detailed plumbing services and basic plumbing maintenance," the spokesperson said. "This includes performing common maintenance tasks, like inspecting for damage; inspecting proper function of water heaters, appliances, toilets, and sinks; conducting pressure tests; treating drains, and checking faucets and showerheads for sediment."

“Please free to contact us, and we’re sure that you will love the results we provide, as noted by our top rating by HomeAdvisor,” the spokesperson said.
