As one of the largest and fastest-growing staffing firms in the US, Phaidon International's goal is to solve the number one challenge many companies face today: talent.

"Opening an office in Los Angeles will further strengthen our service capabilities in the West Coast region," said executive director and regional head, Luke Newton, "In particular, the financial services and supply chain sectors are booming in Los Angeles and we are ready to help companies secure the specialist talent they need to sustain growth."

Alongside offering their services to local professionals and businesses, Phaidon International is

an employer of choice for rising stars in the recruitment industry. Throughout the crisis, Phaidon International has continued to hire across all seven of its US offices, including Boston, Charlotte, Chicago, Dallas, New York, and San Francisco – and now Los Angeles.

“Since we launched our first US office seven years ago, we have been proud to offer employment opportunities to hundreds of professionals,” said Luke Newton. “We have helped many US and international graduates reimagine their potential and reimagine what a career in recruitment can look like.”
