

# Travis Zipper is Featured in Exclusive Interview with Inspirery

*Health coach Travis Zipper recently sat down with Inspirery to discuss his impressive career and how he continues to see success in his industry.*

HUNTINGTON BEACH, CALIFORNIA, UNITED STATES, September 15, 2020 /EINPresswire.com/ -- In an exclusive interview with Inspirery, health coach, and entrepreneur Travis Zipper discusses his journey through the world of health and fitness. From humble beginnings chasing fortune in the field of engineering to real success in providing care and service to individuals and other coaches, Travis Zipper reveals the struggles and achievements that led to his founding of Wellfitz, a unique mentorship program offering one-on-one guidance to health care and service providers.

Inspirery features interviews with leading founders and executives in their respective fields. As an educator and mentor, Travis Zipper was excited to share his experience navigating key points in his career that led him to where he is today. Only with Inspirery, Travis talks motivation, inspiration, challenges, and his best advice for making a profit working in a business he is passionate and proud of—something he believes anyone can do.

“My superpower is the ability to take difficult concepts and break them in simple terms so that they are easily understood and applied,” Zipper says. In his interview, he takes this superpower normally reserved for clients and applies it to business advice through genuine and thoughtful responses. His insights give readers a taste of the powerful mentorship experience now available through Wellfitz.
