"The Eclectic Connoisseur is a COVID-19 success story in the making. The global pandemic has had a personal effect on everyone the world over & like many others I lost my ability to financially support my family. Thankfully, the Canadian Government responded with easy access loans that allowed me to reinvent myself and form a new business model to meet the needs of people having to adjust to this new normal. I proudly acknowledge the funding assistance from CEBA, Western Diversification, ICTC WIL Digital & Innovative BC because without their help this culinary crusade we are launching would not have been possible!" said Drew A Farion, Founder & Epicurean Ambassador.

[The Eclectic Connoisseur Story](#): The Eclectic Connoisseur is a [team of brand ambassadors](#) that all possess an epicurean passion for helping people interested in adding more gourmet life to their lifestyle. We believe that many of life's most memorable moments start in a kitchen and finish somewhere at a dining room table. Our ethos is that you cannot put a price on enjoying the finer things in life with your family and friends... because when it comes down to it...these moments are MASTERCARD... simply PRICELESS!
