

Hyland Graphic Design & Advertising Celebrating 8 Years in Business

A Pennsylvania-based graphic design company has reached a new milestone.

DOWNTOWN, PENNSYLVANIA, UNITED STATES, November 20, 2020 /EINPresswire.com/ -- Representatives with [Hyland Graphic Design & Advertising](#) announced today that it is celebrating 8 years in business.

"We consider it an honor and privilege to serve our customers for the past 8 years," said Matthew Weiss, Owner/Creative Director, and spokesperson for Hyland Graphic Design & Advertising. "We are excited about the future. The best is yet to come for our customers."

The company's new milestone comes on the heels of it being selected as the 2020 Best of West Chester Award for web development & graphic design.

This year's award is significant because Hyland Graphic Design & Advertising has been selected seven years in a row for the Best of West Chester Awards for web development & graphic design and now qualifies for the West Chester Business Hall of Fame.

Each year, in and around the West Chester area, the [West Chester Award Program](#) chooses only the best local businesses. The West Chester Award Program focuses on companies that have demonstrated their ability to use various marketing methods to grow their business in spite of difficult economic times. The companies chosen exemplify the best of small business; often leading through customer service and community involvement.

In addition to being selected as the 2020 Best of West Chester Award for web development, Hyland Graphic Design & Advertising is also featured in Expertise.com's List of Top 19 Web Developers in Philadelphia.

Expertise.com's goal is to connect people with [the best local experts](#). According to company representatives, it evaluated Philadelphia web developers on more than 25 variables across five categories and analyzed the results to produce a hand-picked list of the best. The selection criteria included: reputation - a history of delighted customers and outstanding service, credibility, experience, availability, and professionalism.

Founded in May 2012, Hyland Graphic Design & Advertising's services include: branding/identity, brand management, web development, graphic design, printing, SEO, digital marketing, custom apparel, promotional items, trade-show booths, signage, and more.

"Our clients guide our process," Weiss stressed, before adding, "We want you to feel that you have an in-house designer, that is there when you need them, without having to pay the salary of one. Our customers are like family, and your project is treated with the respect and time sensitivity that it deserves. Our professional staff looks forward to providing you with dynamic designs, affordable pricing, and quick turnaround times."

Weiss went on to point out that as a small design house, Hyland Graphic Design & Advertising fosters long-lasting partnerships with its customers and has years of experience walking businesses through the process of developing winning brand identities.

"Contact us about your unique vision, together we can develop a strong and impressive brand," Weiss said.
