Leading global celebrity choice bridal, Artiz Studio recently release their 2021SS NEW BRIDAL COLLECTION in collaboration with actress and celebrity Yang Zi

SINGAPORE, November 22, 2020 /EINPresswire.com/ -- Leading global celebrity choice bridal, Artiz Studio have recently release their 2021SS NEW BRIDAL COLLECTION in collaboration with actress celebrity Yang Zi (杨紫)

YANG ZI (杨紫) will collaborate with Artiz Studio for various marketing and public relations activities including various conceptualised photoshoots and personal appearances on digital and social media campaigns

Adapting from tales of legends, in the distant country at the end of the clouds, there lived an elf named Queenie. She is the incarnation of love, symbolising bravery, self, pursuit of dreams and all the good things. YANG ZI (杨紫) perfectly embodying what Artiz Studio new series stands for took lead on this concept. Now, residing on the isle of Jeju brings forth TARA's new concept "Crown Grass" enveloped in a new shade of ash-grey. The crown grass thus simulates pastures on valleys and wild mountain with waves of sea breeze in the air. Clothe in an ivory white gown embellished in crystal complements the setting flawlessly, creating a fairy-like aura

Yang Zi who is an award-winning Chinese actress and singer whose career began when she was just a child is also crowned and considered to be one of the "Four Dan of Actresses of the Post-90s Generation" along with Zheng Shuang, Zhou Dong Yu and Guan Xiao Tong. Yang Zi has made her acting debut in the 2002 television series "Ru Ci Chu Shan" and has since starred in many

popular films and television dramas, including "Battle of Changsha" (2014), "Ode to Joy" (2016), "The Legend of Chusen" (2016), "The Legend of Chusen 2" (2016-2017) and "Ashes of Love" (2018). In 2019, Yang Zi completed another drama with co-star Li Xian called "Go Go Squid".

Standing amongst Jeju island's crown grass, bathe in Mediterranean sunshine with waves of California sea breeze rushing through coalesce natural elements to bring forth a unique artistic tone setting, inspiring brides all around the world. The background concept will soon be release and accessible in the various Artiz Studio establishments with couples being able to capture the same scene as Yang Zi.
