Discord Nitro and OffGamers: Creating a Better Experience

SINGAPORE, September 14, 2021 /EINPresswire.com/ -- [OffGamers](#) is pleased to announce that [DISCORD INC.](#) has appointed the company as the official distributor for DISCORD Nitro globally.

DISCORD, founded in 2015 has come a long way in developing an intimate community within its userbase and

emerged victorious as the modern juggernaut of communication. Stepping into the digital world in 2015, DISCORD is now being widely regarded as the best voice/streaming/community app there is. One can now stream activities and games without the need of Twitch or OBS, and a personalized profile apart from that of Facebook or Twitter.

“

While video game top-ups might be our bread and butter, we believe that communication amongst gamers should not be understated and Discord is the perfect app to bridge the gap between gamers worldwide”

Leonard Chee, CEO at OffGamers, who is a regular Discord user himself.

With the distribution agreement, OffGamers will offer two DISCORD products, namely DISCORD Nitro (One-month subscription) and DISCORD Nitro (1-year subscription) in USD denominations. These subscriptions upgrade DISCORD from a free-to-use basic feature to include cool additions like increased file uploading size (100MB), 2 server boosts to upgrade your favorite servers, to be able to join up to 200 server (from 100), to be able to stream your game in HD Video resolution (4k source resolution and up to 60fps screen share). A subscriber also enjoys better personal profile styles like animated avatar, gets to animate favorite emojis, gain ability to customize sticker

anywhere and access to 300 Nitro exclusive stickers and many more.
