

PatchMaster Specialty Drywall Repair Franchise Opening in Northwest Minneapolis region

Veteran and former attorney launches a new franchise based in Central Minnesota, PatchMaster Serving Minnetonka to Alexandria

MINNETONKA, MINNESOTA, USA, September 14, 2021 /

[EINPresswire.com/](https://www.einpresswire.com/) -- After serving in the army as a human intelligence collection team leader and later as a private attorney, Aaron Sandvig realized he wanted to serve his Minnesota community more directly and made the decision to apply his experience in customer relationship management and problem-solving by becoming a PatchMaster franchise owner in Central Minnesota.

"I'm excited to explore various service offerings with customers to build PatchMaster into the go-to-brand in our region for all things wall and surface repair," said Sandvig. "I look forward to making drywall repair as painless of a process as possible for those in the community."

PatchMaster's business model offers customers a fast, professional solution for drywall repairs. Most busy handymen, large drywall companies or contractors don't want to perform small drywall repairs. PatchMaster specializes in fixing holes caused by renters, plumbing leaks and DIY projects that just can't seem to get finished. In most cases, PatchMaster can complete the job

PatchMaster Serving Minnetonka to Alexandria will include a large area of the Northwest Minneapolis metropolitan area up to St. Cloud and Alexandria. Sandvig plans to join several local business organizations in the area to better his local business versatility and help the community with those connections.
