Access control system include numerous components that aid to recognize, authenticate, and authorize the entry and exit of individuals into secured premises. The system can either be based on biometric authentication solutions or proximity/smart cards. Access control systems are widely installed across data centers, hotels, offices, entertainment stores, [retail](#) stores, banks, government institutions, etc.

In India, the growing security concerns due to the high crime rate, including robbery and thefts, are primarily driving the market for access control. Additionally, numerous private and government entities are focusing on enhanced security systems for data protection and offering a safer environment for their employees. Moreover, the increasing prominence of technologically-advanced, contactless smart cards for diversified applications is also catalyzing the demand for access control systems based on their user-friendly and seamless experience. In the coming years, the rising integration of security solutions with numerous advanced

technologies, such as AI, IoT, cloud-computing, etc., is further expected to drive the Indian market for access control systems.

## Indian Access Control Market 2021-2026 Competitive Analysis and Segmentation:

### Competitive Landscape With Key Players:

The competitive landscape of the indian access control market has been studied in the report with the detailed profiles of the key players operating in the market.

Some of these key players include:

ESSL

Gemalto (3M Cognet)

HID India Pvt Ltd

Honeywell International India Pvt. Ltd

IDEMIA Ltd.

Mantra Softech (India) Pvt. Ltd

Matrix Comsec Pvt. Ltd

Realtime Biometric Co. Ltd

Tyco Security Products

ZKTeco Biometrics India Pvt. Ltd

### Key Market Segmentation:

The report has segmented the indian access control market on the basis of component, type, end-user and region.

### Breakup by Component:

Controller

Reader

Locks

[Software](#)

### Breakup by Type:

Card Based

Biometric Based

### Breakup by End-User:

Government

Commercial  
Healthcare  
Manufacturing and Industrial  
Transport  
Education  
Residential  
Others

Breakup by Region:

South India  
North India  
West and Central India  
East India
