

TheReelEffect.tv Interview Reveals Potential Prequel To “A Holiday Chance” Christmas Movie

An exclusive interview with the creator and cast members curated a new movie idea.

NEW YORK, NY, UNITED STATES, November 24, 2021 /EINPresswire.com/ -- [TheReelEffect.tv](#) host, [Meah Denee Barrington](#), interviewed cast members from A Holiday Chance who revealed a potential prequel to the unreleased Christmas movie.

A Holiday Chance follows the Chance family as the patriarch, Garvin Chance (Richard Lawson), the founder of a multi-million-dollar film production company experiences a series of tragic events during the Christmas holiday. Feuding sisters, Noel Chance ([Nafessa Williams](#)) and Naomi Chance (Sharon Leal) must put their differences aside to save the family company and keep the family together during the holidays.

“

I would play this part right here. I would do the sequel of this or the prequel. I would do the prequel, because the prequel is about how they got there.”

Richard Lawson

During a press junket with creator and actress Nafessa Williams, Richard Lawson, and Johnell Young a new movie concept was formed for a potential sequel or prequel. A

fun, holiday themed question, “If you could recast yourself into any Christmas movie which one would it be?” developed a new movie concept.

Lawson answered stating, “I would play this part right here. I would do the sequel of this or the prequel. I would do the prequel, because the prequel is about how they got there. See there’s a lot of other stories you could do but this about a successful man who you see how he had to roll his sleeves up, and struggle, and deal with the business early on, and have his kids be a part of it.”

The film is produced by Manny Halley, Rodney Turner II and Yolanda Halley. Jamal Hill serves as the director and the film is distributed by Faith Media Distribution. A Holiday Chance premieres in select theaters on Thanksgiving Eve, November 24th.
