"Free" is not the only song that Jerm Realadel has released up to now. The most popular track released by Jerm is "Lonely Nights". This song has more than 600k streams and it is still going strong. The track is available on all music platforms as well.

As of now, Jerm is engaged with multiple projects. He is not just focusing on music, but also focuses on acting as well. Being successful as an actor would not be a major challenge for him, especially with his skillset.

Jerm Discovered his passion for rapping at a very young stage. He often found himself getting attracted to rap music. He even started making his own music. Since Jerm was a kid, he was seen singing and rapping. In fact, he took music seriously and even went ahead to do multiple records. Moreover, it was possible to see Jerm Realadel doing his own shows as well. Little by little, he is establishing himself in the competitive music industry as an artist. Marc Anthony, Don Omar, Destiny Child, Eminem, Jada Kiss, Nsync, Backstreet Boys, and Big Pun have been the most prominent role models in the life of Jerm Realadel. He still follows them and tries to get the most out of their successful careers.

The dream of Jerm Realadel is to become one of the most well-known artists in the country. He wishes to excel in his career as an actor as well. He is trying his best to achieve both of these goals. Hence, fans of Jerm will be able to see him in movies and talk shows in the future. No matter what Jerm does, he wants to be successful in it. [This is one of the best qualities that can be seen in this popular artist.](#)

While working as an artist, Jerm has already started his career in acting. He is involved in a web series named "The Book of Nimrod". Carla P. Morales is the director of this web series. Jerm got involved in this web series through a connection he developed when shooting one of his music videos along with Hurricane Morales. Based on this connection, Jerm could figure out the TBON Audition. Then he went ahead with it and got selected to play the role of character "[Silk](#)".

Jerm Realadel is working on multiple singles and a mixtape as of now. Moreover, he is looking forward to doing a mini-tour as well. These will help him to become more popular and increase his fanbase.

Jerm will continue with all these and try to push himself beyond the limits to ensure the growth of his popularity. He does everything for his personal satisfaction, and he will surely be able to become one of the most successful figures in the future.
