

PitPat Launches 'Her' Half Marathon 6 Miles – A Global Virtual Race for Women Runners

HOUSTON, TX, UNITED STATES, May 9, 2025 /EINPresswire.com/ -- [PitPat](#), the world's leading virtual sports platform, has officially announced its latest online race: the "Her" Half Marathon 6 Miles. Known for its innovative race formats and seamless user experience, PitPat continues to inspire a global community of runners and fitness enthusiasts to push their limits, no matter where they are.

This new event features a generous prize pool of \$780, with rewards going to the top 20 finishers. The first-place winner will take home \$400, while second and third place will receive \$100 and \$50, respectively. The race is designed to motivate participants to challenge themselves and aim for their personal best.

The race window opens at 10:00 AM on May 10 and closes at 9:30 AM on May 11 (EST). Participants must join the virtual queue 15 minutes prior to their selected race time; late arrivals will not be admitted. Runners can choose multiple time slots, and only their fastest time will count toward the final ranking, making every second matter.

"At PitPat, we're committed to creating a fair, innovative, and motivating space for every fitness enthusiast," said Kevin Zhang, founder of PitPat. "The 'Her' Half Marathon 6 Miles is more than just a race — it's a celebration of commitment, resilience, and global connection. With PitPat, users can surpass their limits and grow in a community that empowers and supports each step forward."

To enhance the race experience, participants can connect the [DeerRun](#) treadmill with the PitPat app, enabling a smooth, real-time interface that makes joining online races both effortless and
