

Mayhew Tools Expands Dominator® Pro Pry Bar Line with New Curved Pry Bars in Blue

Rugged, ergonomic, and built to last—these pry bars deliver unmatched strength and comfort.

TURNERS FALLS, MA, UNITED STATES, May 19, 2025 /EINPresswire.com/ -- Mayhew Steel Products, Inc. ([Mayhew Tools](#)) proudly announces the expansion of their popular [Dominator® Pro Pry Bar line](#) with the latest addition of 48" and 58" blue curved pry bars in blue, part numbers 14119BL and 14120BL. For those who demand the best from their tools, the new Dominator® Curved Pry Bars deliver unmatched performance and durability, built to withstand the toughest challenges.

Crafted from hardened and tempered alloy steel, the bar's shaft runs from the cutting edge through the handle, delivering unmatched durability and prying power. These tools are ideal for any prying or lifting tasks, providing the reliability users need in tough working conditions. A capped end reinforces the product's versatility, allowing for striking without damage to the handle, while also incorporating an added shock absorber to reduce hand fatigue during extended use.

The patented two-composite handle features an ergonomic design that ensures superior grip

and comfort, even in challenging conditions. Perfect for tasks requiring precision and control, the Dominator® Curved Pry Bars offer notable performance while prioritizing user safety and ease.

Specifications and Dimensions:

14119BL: 48" length; 7.93 lbs. weight

14120BL: 58" length; 9.32 lbs. weight
