

Michael Savage Partners with GoldenCrest Metals to Promote Physical Gold and Silver IRAs

Conservative icon urges Americans to shield their retirement savings from inflation and market chaos by turning to gold and silver with GoldenCrest Metals

WASHINGTON, DC, UNITED STATES, June 2, 2025 /EINPresswire.com/ -- Nationally syndicated talk radio host and conservative thought leader Michael Savage has officially endorsed GoldenCrest Metals, one of the fastest-growing companies in the precious metals IRA space. Known for his fiery commentary and deep concern for America's future, Savage is now encouraging Americans to protect their retirement savings by turning to physical gold and silver.

The screenshot shows the GoldenCrest Metals website. At the top, there's a navigation bar with links for 'Buy Gold & Silver', 'Gold IRA', 'Market Updates', 'Resources', and 'About'. A phone number '833-426-3826' is also visible. Below the navigation bar, there's a large section featuring a portrait of Michael Savage. To his right, a quote reads: "In these turbulent times, shielding your wealth is more critical than ever. That's why I stand with GoldenCrest Metals—they're leading the charge in helping Americans shield their financial future with gold and silver. Trust them to guide you through the storm." Below the quote is the attribution "-Michael Savage". To the right of the quote is a graphic for a 'FREE Gold IRA Guide' with a button that says 'GET YOUR FREE GUIDE NOW'. At the bottom of the website section, there's a row of logos for various news outlets: MarketBeat, NEWSMAX, LAZEE, AMERICAN BUSINESS, MSNBC, Bloomberg Business, CNBC, and FOX BUSINESS. Below the website screenshot, the text 'GoldenCrest Metals - Best Incentives for New Customers' is displayed.

In a personal message to his audience, Savage declared: “Under Trump's leadership, gold is surging, smashing records as the ultimate safe haven.” He pointed to market volatility, persistent inflation, and geopolitical instability as signs that Americans must act decisively to preserve their

hard-earned wealth.

This new partnership marks a major milestone for GoldenCrest Metals, whose mission is to provide transparency, competitive pricing, and world-class service to retirement savers across the country. The company has seen explosive growth over the past two years and has earned top marks from consumers, including:

5-star ratings on Trustpilot and the BBB

A rapidly expanding national footprint with a loyal customer base

An exclusive buyback program and up to 5 years of free storage and fees for qualifying IRA rollovers

GoldenCrest Metals specializes in helping Americans diversify their IRAs and 401(k)s into IRS-approved gold and silver coins and bars. With government spending at all-time highs and the U.S. dollar under pressure from the BRICS alliance, many conservative Americans are seeking alternatives to traditional paper assets.

Savage, whose influence spans decades and millions of listeners, said [he chose GoldenCrest Metals](#) after personally vetting the firm and aligning with its values of honesty, security, and financial sovereignty.

About Michael Savage

Dr. Michael Savage is one of the most influential conservative voices in American media. A bestselling author, political commentator, and national radio legend, Savage is best known as the host of The Savage Nation, which aired on over 400 stations and reached an estimated 20 million listeners at its peak.

With a Ph.D. from the University of California, Berkeley, Savage has combined intellectual rigor with no-holds-barred commentary on culture, politics, and the economy. His books, including *Scorched Earth* and *Stop the Coming Civil War*, have shaped national conversations and earned him a fiercely loyal audience.

Savage has consistently warned about the dangers of big government, fiat currency manipulation, and the erosion of traditional values.

[His endorsement of GoldenCrest Metals](#) continues that mission — by encouraging Americans to protect their retirement savings with hard assets that stand the test of time.
