Vik Mittal

CEO and CIO, will join the SPAC Conference 2025 panel “New Investor Engagement Strategies” held at Westchester Country Club in Rye, New York on June 18, 2025. Mr. Mittal will share his expertise built over nearly 20-years of investing in the SPAC asset class, exploring evolving approaches to attracting institutional capital, navigating PIPE financing challenges, and aligning investor expertise with target companies.

"We're seeing a shift toward more selective, institutional-

focused engagement and smarter deal structuring, which is a welcome evolution," said Vik Mittal, CEO and CIO of Meteora Capital.

The conference comes at a pivotal moment as SPACs have firmly re-entered the investment spotlight, with over 53 SPAC IPOs year-to-date raising approximately \$11 billion in proceeds. The market has seen remarkable acceleration recently, with 12 SPACs pricing in April alone, raising \$2.7 billion, followed by similar trends in May. Industry projections suggest 2025 could witness over 100 SPACs entering the market, potentially raising \$30 billion.
